Digital Literate Partnership Meeting in Vilnius

The first face-to-face meeting of the Digital Literate partnership took place in Vilnius, LT on 06-02!

The partners met to discuss the structure of the MOOC and the initial steps of the project. Also, the presentation of the capacity building programme and others crucial documents lead to the success of our planning.

This collaboration was essential for defining a clear action plan.

Digital Literate Platform Webinar Kicks Off

On June 4th, the Digital Literate platform was introduced in a webinar with 15 partners and educators. Over the next few months, educators will explore topics like AI basics and text-to-image communication. The MOOC includes seven modules filled with content and activities to boost digital literacy.
